

August 2016

Indian Creek Golf & Country Club

You can sure tell we are in the heart of summer with heat indexes reaching over 110 degrees on a couple of occasions through middle of July. As we push through the later part of summer, there is still a lot of golf to be played so come on out and enjoy the course. Conditions have held steady with some turf damage to a few of the collars and mainly the approaches from standing water from a couple of rains that dropped multiple inches and then the sun baked them. The fairways continue to show how much poa annual grasses we have in them which cannot tolerate the high temperatures and burn out this time of year. The good news is that they heal really nice in early fall when temperatures and dew points drop.

The Men's Club Championship Match Play tournament is continuing throughout the summer. Please try and play your matches in a timely matter and post the winning names on the pairings sheet in the hallway of the clubhouse. Entry fee for each contestant is \$5 payable at the bar or Matt will collect during the men's league. Good luck to everyone and thank you to the 64 guys who signed up to play this year. What a great turn out!

We would like to wish the Prairie Central High School Boy's and Girl's Golf Teams the best of luck on their upcoming season. Golf Matches will be starting at the end of August and run through the end of September. Just a reminder to all the members, the course will be closed during these matches.

We rolled out our new menu the week of June 13th and have received some great comments and reviews on our new menu items. The kitchen will only be open on Sundays through the end of August from 11-2 and you will only be able to order from the Sunday menu, the regular menu will not be available. Summer hours are now in affect with morning hours and weekend hours subject to change depending on the weather. During the Fairbury Fair the hours will change slightly, the fair runs August 17th-21st. The kitchen will close at 8:30 Friday & Saturday and the bar will close at 10pm Friday & Saturday, the kitchen will be closed on Sunday the 21st. The clubhouse will continue with nightly specials throughout August. **Monday night is our \$1.50 tacos and our \$3.50 margaritas on the rocks special. Wednesday is our .45 cent bone in naked wing special and our 5/11.00 bucket of beer special (dine in only, does NOT apply to 6 packs for the course!)** Fridays and Saturdays we will continue to offer dinner specials and drink specials throughout the month.

The clubhouse has been very busy therefore reservations would be greatly appreciated for parties of 8 or more for weekdays, weeknights and weekends. Please be sure to call in to reserve the banquet hall for wedding receptions, bridal showers, baby showers, meetings, birthday parties etc. Also, the rates for smaller events has changed, I adjust the rental price depending on the size of the event. Weddings and larger events will still be the same rental price as before. We also offer a FULL catering menu. Contact Robin for bookings.
